# WELCOME!

## September 21 & 22, 2019

## SEPTEMBER IS SUICIDE PREVENTION MONTH

- We lose **over 800,000 people per year** to suicide
- It is the **leading** cause of death for **men under 50**
- It is the **10th** biggest cause of death worldwide
- Two of the **leading factors** that contribute to suicide is **isolation** and feeling like a **burden**.

- Speaking up when suicidal **isn't "attention seeking"**
- Having mental health issues **doesn't make you "weak"**
- This month - check in on those around you and listen without judgement.
